Fee Disclosure

As you operate your account, you will incur charges for the services provided. Below is a clear breakdown of the fees that may apply to your account.

Commission

The following commission will be charged on your transactions:
ECN accounts = USD 6 per round turn (open and close) lot traded Standard accounts = USD 0

Spread

All Contract for Difference (CFD) transactions are subject to a spread cost. The spread is the difference between the bid and ask price, which represents the cost incurred when you open and close a position.

Deposits

If you deposit funds in a currency different from your account's base currency, a currency conversion will be required. This conversion includes:

1. The exchange rate used for the transaction.
2. An additional fee (or 'markup'), which is divided into two categories:
    a. For conversions from USDT to USD: the following tiered additional fees apply:
        1) For values below USD 5,000: an additional fee of 0.5%
        2) For values ≥ USD 5,000 and < USD 10,000: an additional fee of 0.75%
        3) For values ≥ USD 10,000: an additional fee of 1.5%.
    b. For all currency conversions (other than USDT to USD):
    An additional fee (or 'markup') may be charged by us, depending on the payment method and the specific rate we receive from our provider.

Withdrawal

1. Withdrawal Limits
   - Clients: Withdrawals exceeding 5 transactions per month will be subject to a 5% fee of the withdrawal amount.
   - Affiliates: Withdrawals exceeding 7 transactions per month will be subject to a 5% fee of the withdrawal amount.
2. No Trading Fee

   A 5% no-trading fee will be applied to any client who submits a withdrawal request without having conducted any trading activity.
3. Markup Fee
   a. USD to USDT :

      Tiered Markup Fee

      For USD to USDT withdrawals, the following additional fees ('or markup') shall apply:

      1) For values below USD 5,000: an additional fee of 0.5%
      2) For values ≥ USD 5,000 and < USD 10,000: an additional fee of 0.75%
      3) For values ≥ USD 10,000: an additional fee of 1.5%

   b. All Currencies (Other Than USD to USDT)

      An additional fee (or 'markup') may be charged by us, depending on the payment method and the specific rate we receive from our provider.

Inactivity Fee

Should your account remain inactive (with no trades executed) for a continuous period of 12 months while holding a balance, an inactivity fee of $100 USD per month will be charged. We will continue to deduct this fee monthly until the account is reactivated or the balance is reduced to zero. In all cases, the monthly fee will not exceed the available balance.
